ANNOUNCEMENT

DATE: May 21, 2007
TO: Aviation Insurance Brokers
FROM: Charles Rudd, Chief Operations Officer
SUBJECT: Product Announcement: Non-Owned Aviation – Filming / Production

International Aerospace Insurance Services, Inc. (Inter-Aero) has a dedicated and specialized team for non-owned aviation. This unit has written thousands of risks for just about any imaginable non-owned exposure. The purpose of this announcement is to advise you that we have tailored coverage for entertainment and production companies.

Our objective is to provide reasonable pricing while offering clients several simplified coverage options. Our experienced underwriting team can efficiently and quickly respond to your client's needs. We will continue to offer a 'standard' annual policy covering the exposures of entertainment companies that charter aircraft. In addition we are now offering coverage for entertainment, production companies using non-owned aircraft for the purpose of aerial filming for television, movie, advertising or ad hoc video projects. This product will cover these companies' non-owned exposures including:

- Crew charter flights to and from shoots
- Aerial scouting flights
- Aerial filming flights
- Physical Damage to non-owned aircraft

Our entertainment and production product will be offered either as an addition to our basic annual non-owned aircraft policy or on a stand-alone basis. To simplify the needs of the production companies coverage can be purchased for five, ten, thirty or unlimited days of filming.

Inter-Aero's non-owned entertainment product will offer liability limits of up to \$100,000,000 with hull physical damage limits of up to \$1,000,000. This coverage will be provided on a worldwide basis.

Attached you will find a brief narrative of the coverage parameters. We hope that this coverage is of interest to you and your clients. For additional information, quotes or assistance please contact one of our Non-owned underwriting professionals:
